

Initiatives for Sustainability

Formulation of the Sustainability Policy

The Group has formulated the Sustainability Policy as its basic policy for sustainability initiatives.

Sustainability Policy

The Juroku Financial Group recognizes sustainability initiatives to be an important management challenge. We will strive to solve various social issues such as climate change through our core business of “regional comprehensive financial services” and contribute to “achieving growth and prosperity for our customers and the local community,” which is our Group Management Philosophy, while aiming at sustainable growth and enhancing the corporate value of the Group.

(*) Definition of sustainability: Creating a society that facilitates the growth and prosperity of customers and local communities, and passing it over to future generations

Positioning of Major Sustainability Policies

The Group has set various policies regarding the “environment,” “society,” and “governance” based on its Sustainability Policy.
